

Welcome to the wines of Compère Lapin.

We have worked closely with Chef Nina and our friends in the wine trade to select bottles that pair wonderfully with the food that she creates. We take pride in sourcing these wines from familiar grapes and regions, alongside some lesser-known ones as well.

Page one of the list is devoted to wines produced by women.

Throughout the list, wines that are harvested and made biodynamically, organically, or naturally will be noted with the following symbol:
