

Welcome to the wines of Compère Lapin.

We have worked closely with Chef Nina and our friends in the wine trade to select bottles that pair wonderfully with the food that she creates. We take pride in sourcing these wines from familiar grapes and regions, alongside some lesser-known ones as well.

Page one of our list features diverse people in the wine industry; they are vanguards for innovation, access, and equity as farmers, producers, and brand owners.

Throughout the list, wines that are harvested and made biodynamically, organically, or naturally will be noted with the following symbol:
